ORGANIC SKIN CARE

## Ingrediënten

### Synthetische ingrediënten

Acetamide MEA  
Acetone (Aceton)  
Alkyl-phenol-ethoxylades  
Aluminium  
Ammonium laureth sulfate  
a-Terpineol  
Benzaldehyde (synthetisch)  
Benzoic Acid  
Benzophenone (1 t/m 12)  
Benzyl acetate  
Benzyl alcohol/ benzyl benzoate  
BHA  
Broomverbindingen (2-bromo, 2-nitropropane, 3-diol, 1,2 dibrom, 2,4 dicyanobutan, 2,2 methylen-bis en imidazolinidyl urea)  
Butanol  
Buthylparabenen  
Butylalcohol  
Butylene glycol  
Camphor (synthetisch)  
Carbomeren  
Cera microcrystallina  
Ceresin  
Cetylpyridium Chloride  
Chlorhexadine  
Chlorhexidine diacetate  
Chlorhexidine digluconate  
Chlorhexidine dihydrochloride  
Climbazole  
Coal tar (koolteer)  
Coal Tar kleurstoffen (o.a.: Quinoline, D&C Yellow #10, #11, Orange 5, Orange 17, Red 9, Red 19, Red 21; en Red 27)  
Cocamide DEA  
Cocamideethyl betaine

### Natuurlijke ingrediënten

Ascorbine  
Ascorbyl Palmitate  
Aqua  
Benzoïne  
Citric acid  
Acido alpha hydroxyl Ceramides  
Alginate  
Allantoïne  
Amandel olie (Prunus dulcis)  
Anato olie  
Aloe vera extract/Aloe vera gel  
Angelica  
Annato  
Arnica  
Avocado olie  
Behenyl Alcohol  
Beta carotene  
Betaine  
Bisabolol  
Brandnetel extract  
Bijenwas (Cera flava/Cera flava/Beeswax)  
Cacao (Cocoa butter)  
Calcium Carbonate  
Calendula  
Campher (kamfer)  
Candelilla cera (Candelilla Wax)  
Canola (Canola Oil)  
Caprylic/Capric Triglyceride  
Caramel  
Carmine  
Carnauba was  
Caroteenolie  
Carvoneolie  
Cassia auriculata (Henna)  
Castor oil  
Cellulose Gum

## Synthetische ingrediënten

Cocamidepropyl  
1,2-Dibrom  
2,4-dicyanobutane  
DEA (diethanolamine)  
Dehydrooic acid  
Di-2-ethylhexyl phthalate (DEHP)  
Diazolidinyl Urea  
Dibutyl phthalate (DBP)  
Dichloro benzylalcohol  
Dierlijke extracten  
Diethyl phthalate (DEP)  
Diethylene glycol & carbitol  
Diëthylphalaat/ Diëthylphalaat (DEP)  
Digluconate  
Di-isononyl phthalate (DINP)  
Dimethicone  
Dimethicone copolyol  
Dimethiconol  
Dioform  
Diphenyl dimethicone  
Disodium EDTA  
DMDM Hydantoin  
EDTA (ethyleen diamine tetracetic acid)  
Ethanediol  
Ethanol acetamide  
Ethyl acetate  
Ethyleen glycol  
Ethylene dichloride  
Ethylparaben  
Eucerit  
FD&C (met name FD&C Blue 1, FD&C Yellow, FD&C Yellow 6)  
Fluoride  
Formaldehyde  
Fragrances  
Geurstoffen (synthetisch)  
Glycol  
GlysolHexamidine diisethionate  
g-TERPINENE  
4-Hydroxybenzoic  
Hydantoin  
Hydroxy benzoic acid

## Natuurlijke ingrediënten

Cetearyl Alcohol  
Cetyl alcohol  
Chlorophyll  
Citroenzuur (citric acid)  
Citroenzuurester  
Comfrey (smeerwortel)  
Corn starch (maïszetmeel)  
Decyl polyglucose  
Duizendblad extract  
Duindoornolie  
Echinacea extract  
Etherische olie (essential oil)  
Etherische rozen olie  
farnesol  
Fytinezuur  
Flaxseed oil  
Gedemineraliseerd water  
Gember (ginger)  
Ginko biloba extract  
Ginseng extract/ginseng wortel  
Glycerin  
Glycolymer concentrate  
Grain alcohol (graan alcohol/ Ethanol)  
Grapefruit extract  
Groene thee extract (green tea extract)  
Guar-meel  
Havermout (oatmeal)  
Honing  
Hop  
Hyaluronic acid  
Iers mos  
Jojoba oil (buxus chinensis)  
Juniper  
Kamille (chamomile)  
Kaolin  
Kiezelzuur  
Klei (clay)  
Krijt (chalk)  
Kokosvetzuurbetaïne  
Kukui noten olie  
Lactic acid  
Lanoline (wolwas)/Lanolineolie  
Lavendel  
Lecithine  
Lijnzaad olie  
Lindebloesem extract  
Magnesium Carbonate  
mangopitboter

# Botanical Beauty

ORGANIC SKIN CARE

## Synthetische ingrediënten

hydroxybenzene  
Imidazolidinyl Urea  
Isoparaffin (C11-12-13-14)  
Isopropanol/Isopropyl alcohol  
Kleuren met het woord "Lakes" erachter  
Kunstmatige kleurstoffen (FD&C en D&C)  
Lauramide DEA  
4-methylbezilideenkampfer  
Magnesium laureth sulfate  
MEA  
Methanol  
Methylalcohol  
methylaldehyde  
Methylcellulose  
Methylchloro isothiazolinone  
Methyldibromo gluraronitrile  
Methyleenchloride  
methylene oxide  
Methylisochlorothiazolinon  
Methyl-isothiazollinone  
Methylparaben  
Micro Wax  
Microcrystalline wax  
Mineral oil (Minerale olie)  
Musk-verbindingen (musk-xyleen, muskketon en musk-ambrette.)  
Myrtrimonium bromide  
NDEA  
Octyl methoxy cinnamate (OMC)  
Oxomethane  
Oxymethylene  
Ozokerite  
Parabenen (ethyl-methyl-propyl-buthyl)  
Paraffine  
Paraffinum-liquidum  
Parfum

## Natuurlijke ingrediënten

Melisse extract/hydrolaaat  
Menthol  
Mica  
Minerale zouten (mineral salts)  
mirretinctuur  
Natuurlijk aroma  
Neroli (Oranje bloesem)  
Olijfolie (Olive oil/Olea europaea)  
Paardestaartextract  
Palmolie (gehard)/ hydrogenated palm kernal oil  
Panthenol (Pro-vitamine B5)  
Peanut oil (Arachis Hypogaea)  
Pepermunt  
Petit grain (etherische olie)  
Phytosphingosine  
Plantensterolen  
polyglycerinevetzuurester  
Propolis extract  
Pycnogenol  
Rijstkiemolie  
Rijstzetmeel (ricestarch)  
Ricinus olie  
Rozemarijn (rosemary)  
Rozen extract  
Salie (sage)/Saliehydrolaaat  
Sesam olie  
Sheaboter (Butyrospermum parkii)  
Shoreaboter  
Sinaasappelolie (Orange oil)  
Sodium Cocoyl Glutamate  
Sorbitol  
Sojaolie  
Squalane  
Stearinezuur  
St. johnswort  
St. johnswort olie  
Sucrose cocoate  
Suikerester  
Sulfur  
Tarwekiemolie (wheat germ oil)  
Titanium dioxide

## Synthetische ingrediënten

Parrafinum-subliquidum  
PEG (poluethyleen glygol)  
Petrolatum  
PHB-ester  
Phenol (hydroxybenzene)  
Phenoxy ethanol  
Phenoxy ethylparaben  
Phthalates  
a-pinene  
Polysorbate  
potassium sorbate  
Propanol  
Propyl alcohol  
Propylparaben  
Proyleen glycol  
PVP/VA copolymeer  
RETH  
SD Alcohol (Specialy Denaturated alcohol)  
Simethicone  
Sodium Benzoate  
Sodium dehydroacetate  
Sodium laureth sulfate (SLES)  
Sodium lauryl sulfate (SLS)  
Sodium Oleth sulfate  
Sodium saccharin  
Stearoxy dimethicone  
Stearyl dimethicone  
Talk, talcum, talc  
TEA  
TEA laureth sulfate  
Triclosan  
Vaseline  
Zinc pyrithione

## Natuurlijke ingrediënten

Tocopherol  
Toverhazelaar (witchhazel/hamamelis)  
Triglyceride  
Vanille olie  
Vetalcohol  
Vitamine A  
Vitamine C  
Vitamine E  
Vitamine F  
Vlierbloesemhydrolaat  
Walnoot olie  
Wijngest  
Xanthaan/Xanthan Gum  
Xylitol  
ijzer oxide (iron oxide)  
Ylang ylang  
Zea Mays  
Zeezout (sea salt)  
Zinc oxide  
Zoethout extract (licorice extract)  
Zonnebloemolie  
Zijde poeder (silk powder)  
Vegetable glycerine (Plantaardige glycerine)
